

# INDIAN RESTAURANTS

**IMPORTANT INFORMATION:** The restaurants listed here have been identified to us by various tourist boards and third parties and are not researched by Cosmos. Cosmos has not inspected them or tested them for the quality of their food or premises, and we rely on information provided to us by third parties. We have no control, and have no right of control, over the operations of any independent restaurant included in this listing. Accordingly, we can take no responsibility for any aspect of their quality, products, or services, and travelers using them will be doing so entirely at their own risk. You are strongly advised to check that they are still in business and on their hours of operation before going to the one of your choice.
